

Security
made simple

Yale Price List 2024

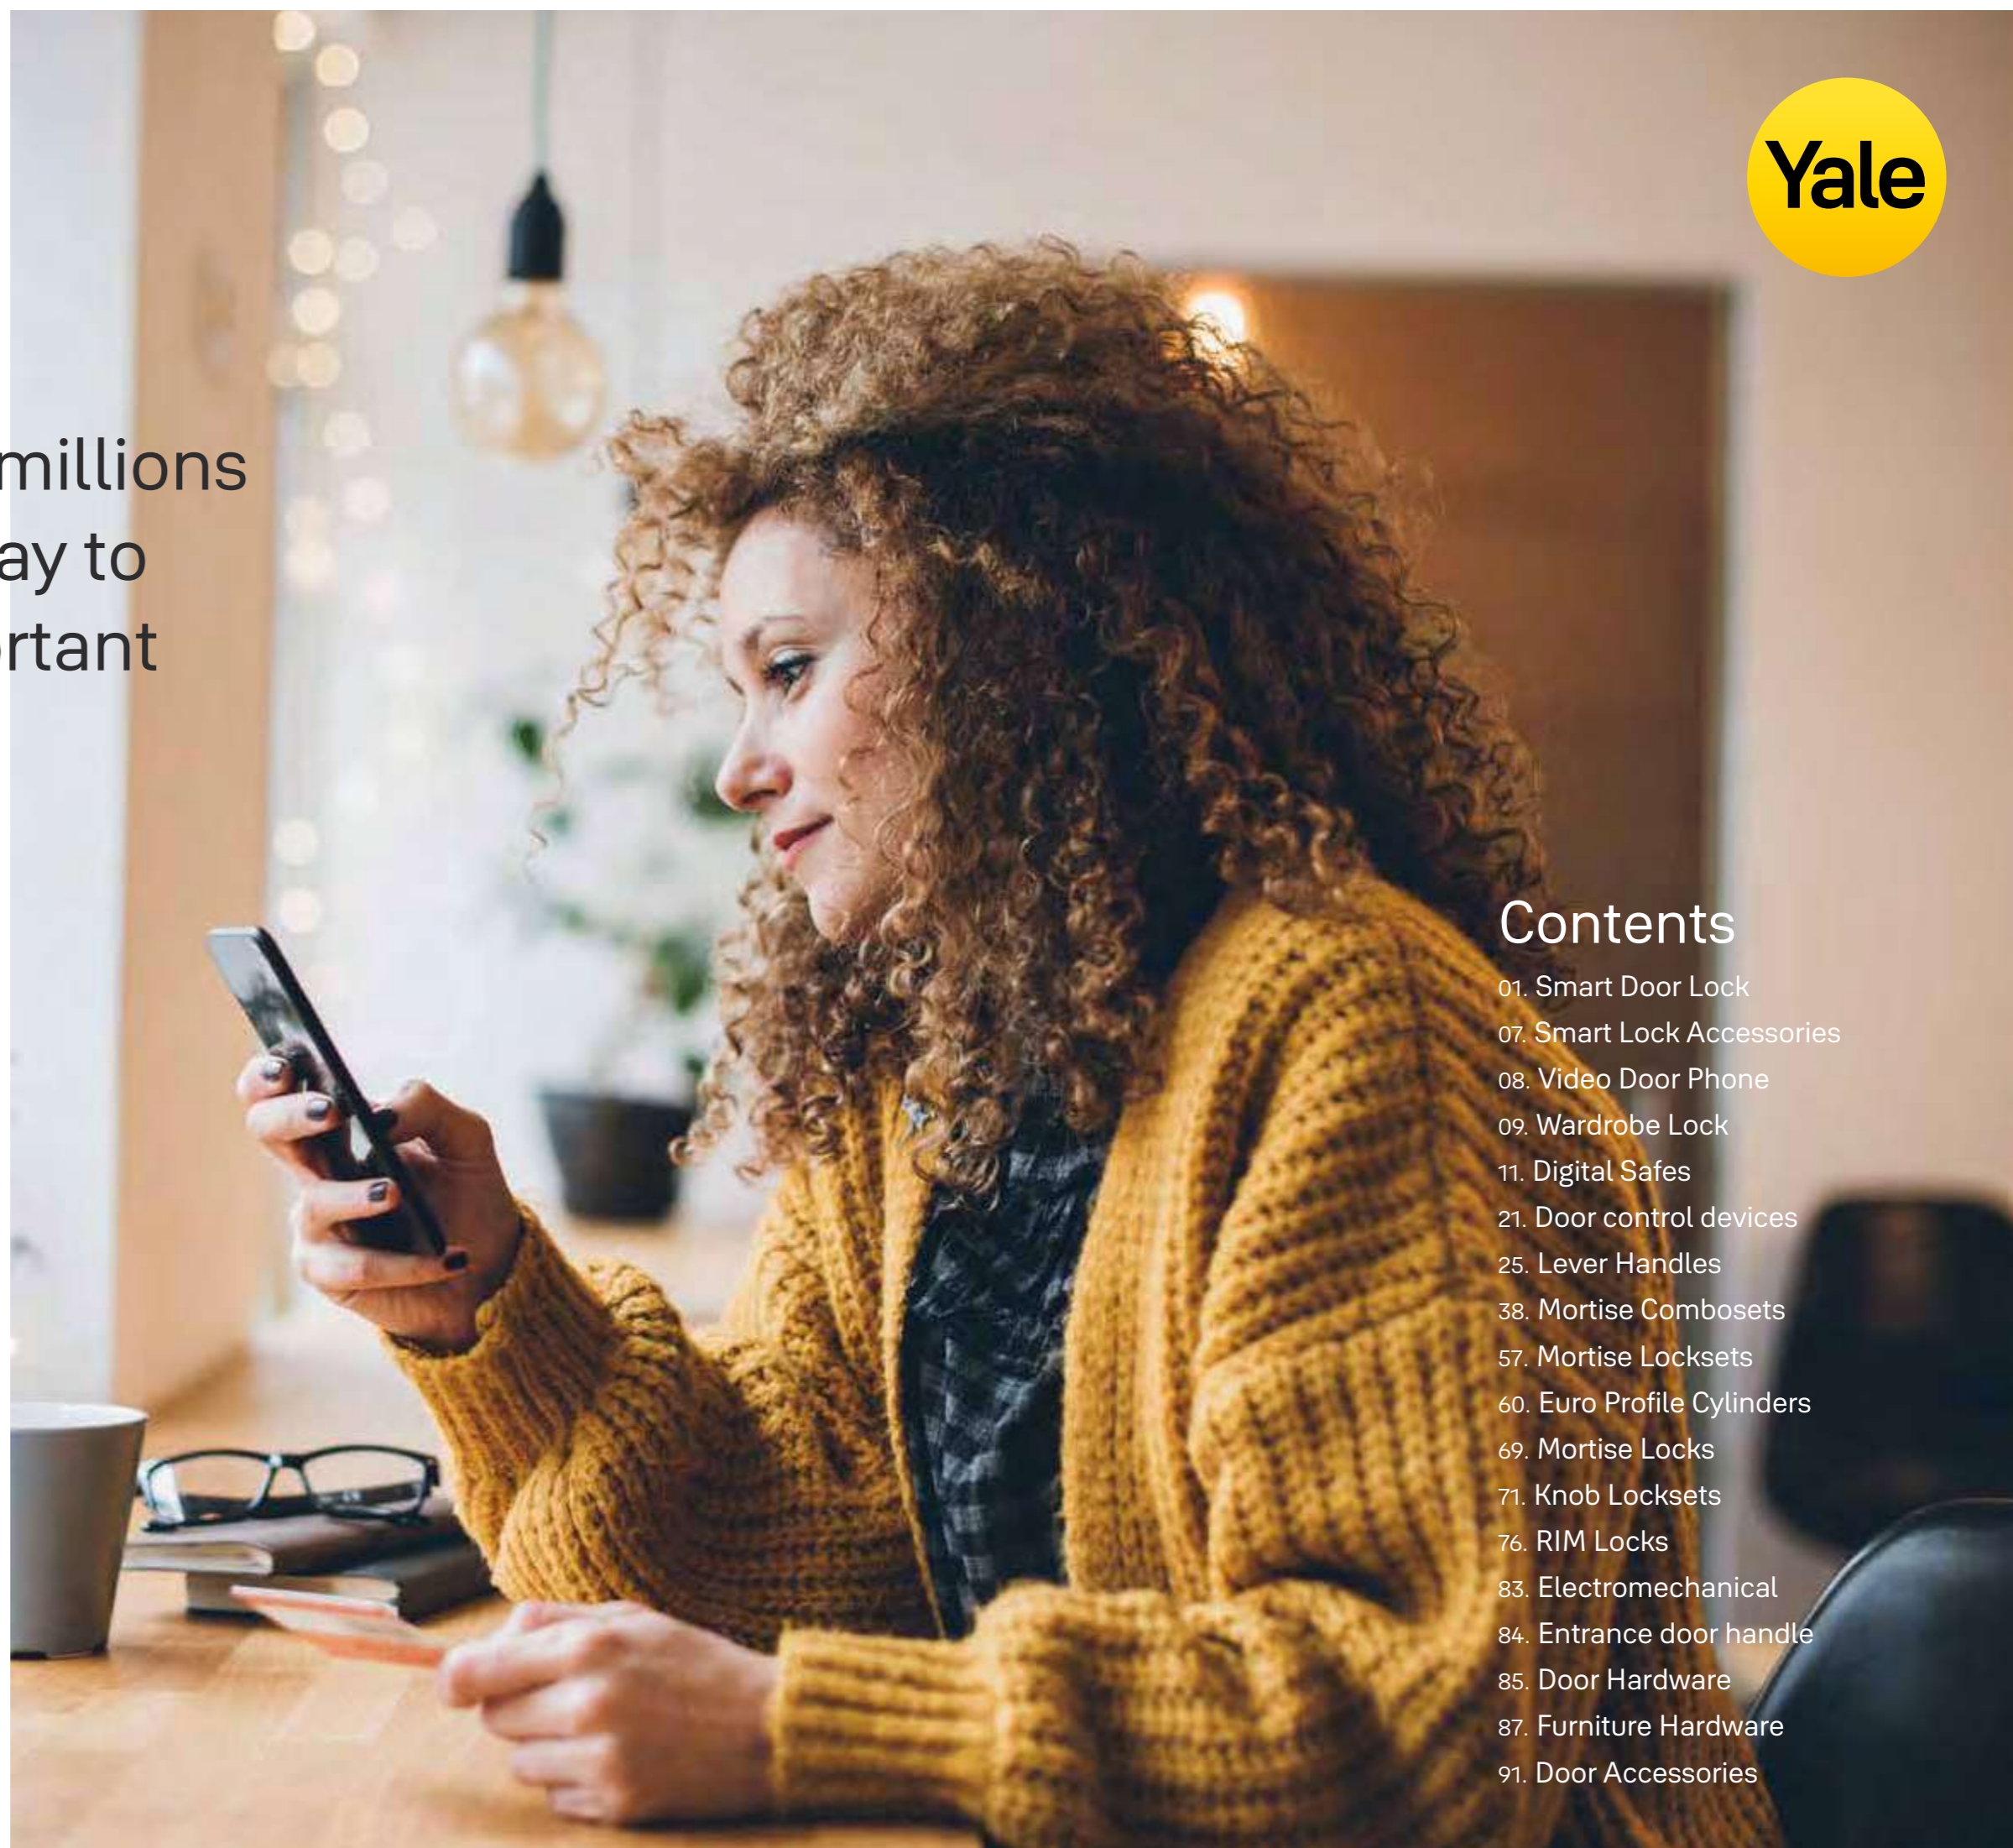

Yale is trusted by millions of people every day to keep what's important to them safe.

Our innovations have protected their homes, families and belongings for over 180 years. We have expanded from being a leader in mechanical lock engineering to innovating connected smart locks and homes. Because we always make every effort to push the boundaries in a changing world.

We were there for your grandparents (and probably theirs) and we'll be there for your children.

Today, and every day to come.

The Yale Home Ecosystem

For a seamless home security experience.

The Yale Home app enables you to connect and control all your Yale smart security devices (Yale Smart Locks, Yale Smart Alarm, Yale Smart Storage solutions and Video Door bell from a single app.

Yale Home

*Coming soon

The Yale Home app functionalities

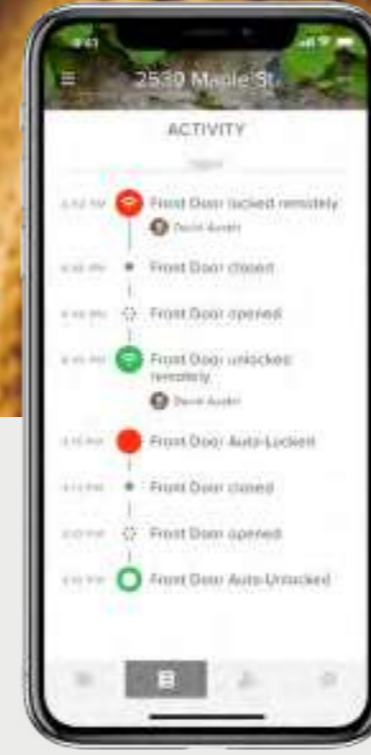

App control

Lock and unlock your door from your app, anywhere in the world.

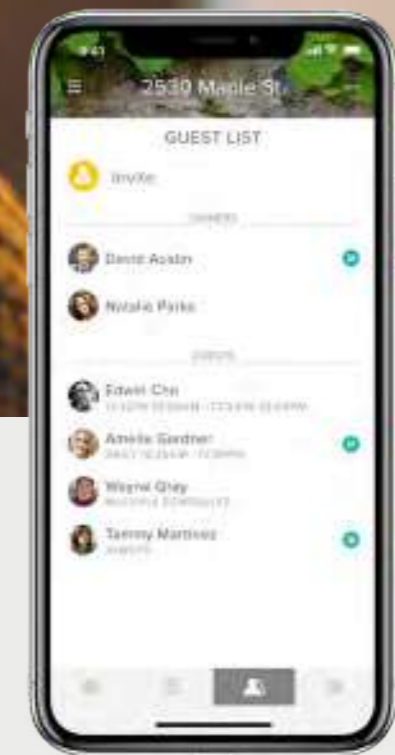

DoorSense™ technology

The lock will check the status of the door and tell you if your door is securely closed and locked.

Activity monitoring

See who comes and when with the Activity Feed. Check who unlocked the door and if or when it was actually opened. Set-up alerts to notify when specific people arrive home.

Guest access

Grant unlimited virtual keys valid for a few weeks, a few hours, or a few minutes. Never worry about lost or stolen keys again.

Smart together

Connect your Smart Lock with leading smart home systems, voice assistants and holiday rental platforms for effortless lock control and access management.

Terms and Conditions apply as under:

1. The visit charges displayed apply only within the city's borders. If it's outside these limits, the service provider will inform you about the visit charges, factoring in distance, travel time, and the mode of transport
2. The charges mentioned are for wooden doors and frames
3. Extra charges for spare parts will apply as per their respective rates
4. *The initial free visit includes installation and product demonstration for selected Smart Locks and Safes. Subsequent visits due to incomplete installation/demo will incur a charge of INR 1000 if beyond Yale's control (e.g., door polishing or customer absence during demo).
5. For urgent installations within 24 hours, an additional INR 1000 applies (installer availability dependent). If installation fails due to on-site factors or lock model changes, a revisit fee of INR 1000 will be charged by ASSA ABLOY India
5. The emergency opening times mentioned are based on when you register your call with the Helpline
6. For services from authorized Yale service providers and trained technicians, please dial toll-free number 1800-103-5606 (available for both mobiles and landlines)
